PROFESSIONAL SUMMARY

Third-year Computer Science student at Lebanese University with a self-taught foundation in HTML, CSS, and JavaScript, built through independent study and hands-on personal projects. Comfortable with Java, C, and basic Python, and currently expanding into React, Node.js, Bootstrap, and Tailwind CSS. Motivated to secure a Front-End Development internship to apply web development skills, learn from experienced engineers, and contribute to real production code.

EDUCATION

Bachelor's Degree in Computer Science

Sep 2024 – Jun 2027 (Expected)

Lebanese University — Beirut, Lebanon

- Currently in 3rd year

TECHNICAL SKILLS

- Web Development: HTML5, CSS3, JavaScript
